About Dar Jaguar

Dar Jaguar is a space of
exotic romance and
sumptuous sensuality

The perfect location for a
romantic weekend, a stylish
hen party or birthday
celebration, and of course a
tranquil oasis for a heavenly
honeymoon or intimate
wedding.

The Dar Jaguar Family
awaits you...

Rooms and Interiors

Dar Jaguar is perfectly located at the heartbeat of the magical medina and scintillating souks.

There are five individually decorated bedrooms including one heavenly royal suite, The State of Grace.

Enjoy a palatial roof terrace overlooking the city, a stunning plunge pool and beautiful salons to languish and lose yourself...

Each room has exquisitely engraved plasterwork, traditional tadlekt walls and Byzantine-inspired hand beaded lamps, crafted by breathtakingly talented artists whose families have been undertaking this intricate work for generations.

With a heady mix of the 1001 Oriental Nights and the Romantic poets, Dar Jaguar is Lucia's love letter to Marrakech.

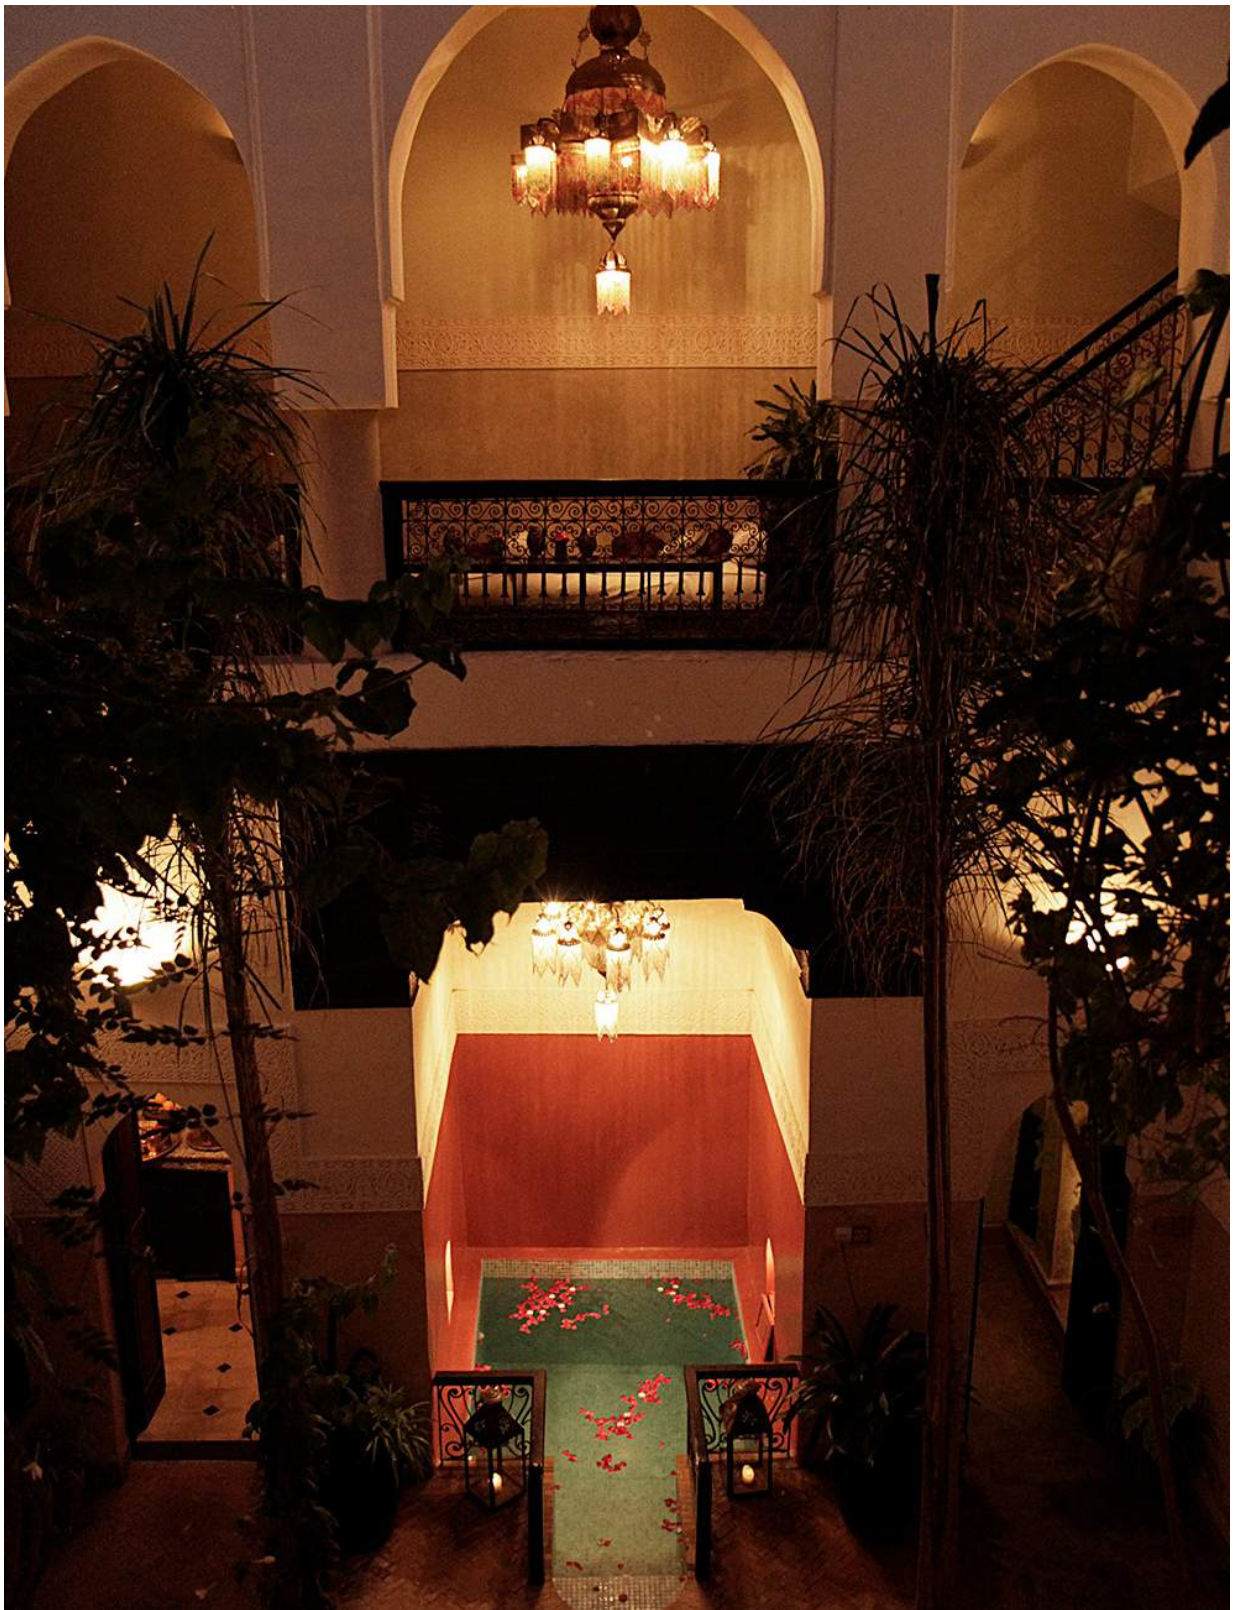

Romancing at Dar Jaguar

“And if travel is like love, it is, in the end, mostly because it’s a heightened state of awareness, in which we are mindful, receptive, undimmed by familiarity and ready to be transformed. That is why the best trips, like the best love affairs, never really end.”

There is a heady cocktail of erotic, exotic sensuality that bubbles through the veins of Morocco like nowhere else. Dar Jaguar is a space created for Romance with yourself, your lover, your soul mate or your best friends and family. And Marrakech brings you to a dreamy, beautiful place to meaningfully re-connect.

Marrakech and Culture

Marrakech makes the past and present hard to tell apart. Bellydancing, desert camel riding, aromatic spice markets... Its mystery resides in its heady cornucopia of contradictions, the sense-assaulting spectacles and surprises that tear you away from any norms. The colourful intoxications seduce and transport you into a space that is entirely other worldly.

Whether you are looking for a blissfully romantic escape with your loved one, a sophisticated “Sex and the City” style Girls’ Getaway with your best girlfriends or an all-out “1001 Nights” Banquet and Wedding,

“Dar Jaguar is waiting with open arms.”
